## Vacancies for immediate employ

Eagles Secondary School is Boarding School for Boys only located in the Nia Njema Area on the outskirts of Bagamoyo Township. Both the O-level and A-level Sections specialise in Science, Business and Arts subjects. The School has been in existence since 2006 and has during that time achieved notable successes. To push forward our development agenda, we need to fill the following positions. Competitive terms will be offered to suitable candidates, mostly performance-based:

**Teachers – International Languages:** qualified teachers, Diploma or Degree holders in English, Kiswahili or Physical Education who can offer any one of the following:

**(a) French/German/Spanish (b) Chinese/Japanese/Korean (c) Arabic**

**Head of Communications:** we require an experienced IT or Marketing professional to redirect our marketing and communications efforts via a 3-year rolling Marketing Plan based on interactive use of our website. He/she will manage this department as a one-stop resource to connect the School's academic and administration functions to present and potential students and their parents and other service providers

**School Management Software:** we need web-based school management software to automate the School's academic, administrative and accounts functions. It must also facilitate secure E-mail or SMS communication and mobile banking for 600 students and their parents. Proven capabilities will need to be demonstrated by the vendor.

**Apply to the Headmaster with your bio-data and 2 references**
